19. On October 5, 2016, Trump said “we’re also going to fix our inner cities. And help our Latino- American citizens and our African-American citizens. we are going to help. It's time. Forty-five percent of African-American youth live in poverty. 58 percent of African-American youth don't have jobs. More than 3,000 people have been shot in the city of Chicago, Obama's hometown, since the beginning of the year. That's since January. Not a long time. Homicides are up nearly 50 percent in Washington, D.C., and more than 60 percent in Baltimore.” Transcript available at: <https://rollcall.com/factbase/trump/transcript/donald-trump-speech-henderson-nv-october-5-2016/#168> This line, pairing African American poverty with Chicago shootings, would be repeated in several other speeches.

20. On November 7, 2016, then candidate Trump said – “They’re getting worse and worse. The crime is unbelievable. You can’t walk to the store and get a loaf of bread. Often, you get shot. Chicago, thousands and thousands of shootings since January 1st. You read it. The murder rate in the United States is the highest it’s been in 45 years. The dishonest media doesn’t tell you that stuff because they want you to like Obama. They want you to think Obama is doing a good job, and he’s not -- and he’s not -- and he’s not. So you live in the inner cities, you’re African-American, you’re Hispanic. The schools are no good. There are no jobs, and it’s totally unsafe. And I say, “I will fix it.” What the hell do you have to lose? I’m going to fix it.”

It's carnage. You know, in my [inauguration] speech, I got tremendous -- from certain people, the word carnage. It is carnage. It's horrible carnage. This is -- Afghanistan is not like what's happening in Chicago. People are being shot left and right. Thousands of people over a period -- over a short period of time. This year, which has just started, is worse than last year, which was a catastrophe. They're not doing the job. Now, if they want help, I would love to help them. I will send in what we have to send in. Maybe they're not going to have to be so politically correct. Maybe they're being overly political correct? Maybe there's something going on? But you can't have those killings going on in Chicago. Chicago is like a warzone. Chicago is worse than some of the people that you report, in some of the places that you report about every night, in the Middle East."

64. On September 15, 2025 the President made remarks in the oval office on occasion of signing an executive order deploying federalized National Guard troops to Memphis, TN. He spoke extemporaneously about Chicago at that time, making several statements concerning his schemes on the city:

“[The Memphis] task force will be a replica of our extraordinarily successful efforts here [in DC]...we’re sending in the big force now. Uh we also sent them into Chicago on a sort of a moderate basis and we brought down crime a little bit in Chicago, but we’re now going to bring it down very big. We’re going to be doing Chicago probably next. I was with a great business man, a man who is involved in all cities through his business and I say, who do you think should be next, after Memphis? And he said, sir, you’ve got to save Chicago. We’re gonna wait a little while but said you’ve gotta save Chicago you can’t let it go....

We have to save Chicago. I know all about Chicago, I have a great, beautiful building I’m so proud of it but you get less proud when you see all the crime...

[the FBI] went in...about four months ago, they’ve been working on keeping crime down. They have brought the numbers down a little bit. But those are easy numbers. You know, the first 20, 25% are the easy numbers. That’s where it gets they you have to bring in the big forces, right? Which is what we always intended to do. “

Presidential Memoranda

June 7, 2025

## MEMORANDUM FOR THE SECRETARY OF DEFENSE

THE ATTORNEY GENERAL

THE SECRETARY OF HOMELAND SECURITY

SUBJECT: Department of Defense Security for the Protection of Department of Homeland Security Functions

Numerous incidents of violence and disorder have recently occurred and threaten to continue in response to the enforcement of Federal law by U.S. Immigration and Customs Enforcement (ICE) and other United States Government personnel who are performing Federal functions and supporting the faithful execution of Federal immigration laws. In addition, violent protests threaten the security of and significant damage to Federal immigration detention facilities and other Federal property. To the extent that protests or acts of violence directly inhibit the execution of the laws, they constitute a form of rebellion against the authority of the Government of the United States.

In light of these incidents and credible threats of continued violence, by the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby call into Federal service members and units of the National Guard under 10 U.S.C. 12406 to temporarily protect ICE and other United States Government personnel who are performing Federal functions, including the enforcement of

~~Federal law and to protect~~ Federal property, at locations where protests against these functions are occurring or are likely to occur based on current threat assessments and planned operations. Further, I direct and delegate actions as necessary for the Secretary of Defense to coordinate with the Governors of the States and the National Guard Bureau in identifying and ordering into Federal service the appropriate members and units of the National Guard under this authority. The members and units of the National Guard called into Federal service shall be at least 2,000 National Guard personnel and the duration of duty shall be for 60 days or at the discretion of the Secretary of Defense. In addition, the Secretary of Defense may employ any other members of the regular Armed Forces as necessary to augment and support the protection of Federal functions and property in any number determined appropriate in his discretion.

To carry out this mission, the deployed military personnel may perform those military protective activities that the Secretary of Defense determines are reasonably necessary to ensure the protection and safety of Federal personnel and property. The Secretary of Defense shall consult with the Attorney General and the Secretary of Homeland Security prior to withdrawing any personnel from any location to which they are sent. The Secretaries of Defense and Homeland Security may delegate to subordinate officials of their respective Departments any of the authorities conferred upon them by this memorandum.

MEMORANDUM FOR: COL Anthony Fuscellaro

FROM: Andrew J. Whitaker *JKW*  
Executive Secretary  
U.S. Department of Homeland Security

SUBJECT: **Request for Assistance from the Department of War for  
Federal Facility Protection Support to the Department of  
Homeland Security (State of Oregon)**

---

### **Overview**

The Department of Homeland Security (DHS) requests immediate and sustained assistance from the Department of War (DoW) in order to safeguard federal personnel, facilities, and operations in the State of Oregon. Federal facilities, including those directly supporting Immigration and Customs Enforcement (ICE) and the Federal Protective Service (FPS), have come under coordinated assault by violent groups intent on obstructing lawful federal enforcement actions. These groups are actively aligned with designated domestic terrorist organizations and have sought to impede the deportation and removal of criminal noncitizens through violent protest, intimidation, and sabotage of federal operations.

At the President's direction, DHS is seeking to put an end to the migrant invasion and these lawless riots. This further executes and follows the intent of past Executive Orders: (1) Executive Order Clarifying the Military's Role in Protecting the Territorial Integrity of the U.S. (20 Jan 2025), section 2; (2) Executive Order Declaring a National Emergency at the Southern Border of the U.S. (20 Jan 2025); (3) Executive Order Guaranteeing the States Protection Against Invasion (20 Jan 2025). Additional requests may follow as the situation develops.

### **DHS Overarching Goal**

DHS seeks DoW support to ensure the continued protection of federal facilities in Oregon that are experiencing sustained unrest, thereby reinforcing the safety of federal personnel, safeguarding public property, and enabling uninterrupted execution of federal law enforcement missions.

**Subject: Request for Assistance from the Department of War for Federal Facility Protection Support to the Department of Homeland Security (State of Oregon)**

Page 2

**Specific Topics for Request**

DHS requests deployment element of approximately 200 DoW personnel, trained and equipped for mission security in complex urban environments. These personnel would integrate with federal law enforcement operations, serving in direct support of federal facility protection, access control, and crowd control measures.

**End of Mission**

DHS requests that DoW-authorized support capabilities remain in place through the cessation of unrest and unlawful protests in Oregon.

**Funding**

DHS requests DoW provide support on a reimbursable basis.

## NATIONAL GUARD BUREAU

1636 DEFENSE PENTAGON  
WASHINGTON, D.C. 20301-1636

MEMORANDUM FOR THE ADJUTANT GENERAL, ILLINOIS NATIONAL GUARD

SUBJECT: Request for Illinois National Guard Federal Protection Mission

1. I am writing to inform you that the President has directed the mobilization of at least 300 members of the Illinois National Guard (ILNG) to protect federal personnel, functions, and property in Illinois. However, the Secretary of War has been authorized to first provide additional federal funding for 300 members of the ILNG under Title 32 United States Code, Section 502(f), and request that that they perform this mission in a non-federalized status under your command and control.
2. Due to the circumstances and immediate nature of this requirement, if ILNG forces are not mobilized under Title 32 in the next 2 hours, the Secretary of War will direct the mobilization of as many members of the ILNG as he may deem necessary under Title 10 United States Code.
3. The Department of War greatly appreciates your collaboration on this emergent situation. If your Governor agrees to a Title 32 mobilization of the ILNG, we will work with the Department of Homeland Security and other federal officials to coordinate mission details with you. To be clear, we believe time is of the essence and failure to mobilize sufficient forces quickly to address the situation may risk lives and property damage. I respectfully request that you inform me immediately if your Governor is unable or unwilling to mobilize the ILNG under Title 32 to perform the necessary protective functions.

On October 4, 2025, the President of the United States called forth at least 300 National Guard personnel into Federal service pursuant to section 12406 of title 10, U.S. Code, to protect U.S. Immigration and Customs Enforcement, Federal Protective Service, and other U.S. Government personnel who are performing Federal functions, including the enforcement of Federal law, and to protect Federal property, at locations where violent demonstrations against these functions are occurring or are likely to occur based on current threat assessments and planned operations.

**SUBJECT: Calling Members of the Texas National Guard into Federal Service**

On June 7, 2025, the President of the United States called forth at least 2,000 National Guard personnel into Federal service pursuant to section 12406 of title 10, U.S. Code, to protect U.S. Immigration and Customs Enforcement and other U.S. Government personnel who are performing Federal functions, including the enforcement of Federal law, and to protect Federal property, at locations where violent demonstrations against these functions are occurring or are likely to occur based on current threat assessments and planned operations.
